<b>Placement Policy</b>			

### 1. Background

- 1.1. SCL's mission is *'To relieve poverty and the other charitable needs of persons who are homeless or living in vulnerable housing or who have recently experienced homelessness in Leicester and Leicestershire, in particular by providing a safe creative space for them to meet regularly by offering opportunities to listen to and take part in musical and artistic practice and performances, as a means to improve their conditions of life'*.
- 1.2. Ensuring the safety and well-being of all guests, volunteers, helpers and students is paramount and this policy is intended to support that aim by addressing how placements will be approved and allocated.
- 1.3. It is recognised that placement requests can come from a number of different sources including the Diocese and educational establishments

### 2. Scope

- 2.1. This policy covers all student placements provided within SoundCafe sessions, this does not extend to students who undertake activities outwith a session on a Wednesday afternoon with the following exceptions:
  - 2.1.1. Projects or specialist workshops organised by SoundCafe or one of its partner organisations where there has been a prior agreement to provide a placement.
  - 2.1.2. SoundCafe led one-off events where a dedicated placement in support of the event has been approved.
- 2.2. For the purposes of this policy a placement is defined as a period of *vocational experience*, where a student participates in activities within an SCL session to gain a broader understanding of working with people who are homeless, vulnerable or isolated and how the arts can help them 'find a voice'.
