Choosing a Pet

When choosing a pet, remember that although elephants can cheer you up and remove your gloom, they can make you fret, because as a pet, they take up far too much room.

An elephant can be a terrible loafer.

And there just isn't room for both you and an elephant on the sofa.

Photo Gallery

We are currently using SoundCafe stock photographs for our updates etc and we are looking at putting together a photograph directory.

This is where you can help: do you have any photographs from SoundCafe events that you would like to share? If so, forward them onto me and we can get sharing!!!!

Compost Corner

Thank you to everyone who sent in photographs of their gardens etc. I have received quite a few so will be spreading them out over the next couple of weeks.

Janice has been busy enjoying her home-grown strawberries! Christine has also been busy in her garden. Her grandchildren are going to have a ball when they are able to visit her!!
