

# SoundCafe Volunteer Newsletter

April 2023

**Hello everyone,**

***Like so many charities at the moment we are really struggling to recruit volunteers as a result of COVID and the current cost of living crisis.***

***We need your help!!***

***We know that the best form of recruitment is through word of mouth and as valued volunteers you know first hand what these sessions mean not only to our guests but to you all too and you are our guests best advocates.***

***Maria recently put together a short video and is currently working on new publicity leaflets.***

***So, if you know of anyone who might want to join our friendly and sometimes bonkers team please let them know all about us and point them in our direction and we will take it from there!!!***

***In terms of sessions moving forward it is really important that if at all possible, we do appreciate that sometimes things can crop up suddenly, if you are unable to make a session that you let Maria know as we will need to decide if that session can still be delivered safely or if we need to cancel it.***

***Thank you all for your continued support to SCL because without you we would not be able to provide sessions for our guests.***

***Last but by no means least we want to say a big welcome back to Andrew Scott who previously volunteered with us when we were in St Martin's House. It was great to see you on Monday!!!***
